Lyrics:
 1. Our Ja - ni - tor Sep - pl once made a mis take fix - ing the big chan - ce -
 2. Paul Schmodt suf - ered bad - ly from stage fright a - gain, trem - bling be - hind the red
 lies. It crashed to the ground with a hor - ri - ble sound
 cur - tain The wai - tress Frau In - ge tried to cure the poor sin - ger. "My
 du - ring a Mo - zart pre - miere. It cost Dok - tor Schön - geist some
 cof - fee will help you for certain!" On stage he sang like a
 mo ney, and when the dust dis - ap - peared we saw it had killed Don Gio
 star, - if only he'd no - ticed that night: There's no Pa - pa - ge - no in
 van - ni but the au - di - ence liked it and cheered:
 Car - men. But the Peop - le all raved with de - light:
 Bra - vo for the O - pe - ra! There's no bet - ter place to go!
 Bra - vo, bra - vo! That's where we go!
 Bra - vo for the O - pe - ra let's get on with the show!
 Bra - vo, bra - vo, let's get on with the show!

3. For dancing on stage Heidi Plum they once had
 Eating to much Mozart's balls
 Perhaps she should chose belly dancing instead
 She's not even knowing the Waltz
 And once she fell down from stage
 So dizzy from her pirouette
 It seems no longer her age
 But the people just loved the first act

Bravo...

4. There was Primadona since all the last years
 Who didn't reach her top C
 But now they are lucky, they have Spritney Bears
 Wearing at least double D
 She's dancing with Justin & Justin
 Just being a Barbie doll clone
 But: oops - she did it again
 She's rocking the Operadrome (Musical Entertainment Center)

Bravo...
